What we do	
How does Lower Valley Credit Union protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We also restrict access to nonpublic personal information about you to only those employees and/or volunteers who need to know the information to provide products and/or services to you.
How does Lower Valley Credit Union collect my personal information?	<p>We collect your personal information, for example, when you:</p> <ul style="list-style-type: none"> • open an account or apply for a loan • apply for any credit union service • visit our website and provide us information on any online application or transaction, or information you send to us by email. • use your credit or debit card or pay your bills • make deposits to or withdrawals from your accounts <p>We also collect your personal information from others, including credit bureaus and/or other third-party companies.</p>
Why can't I limit all sharing?	<p>Federal law only gives you the right to limit information sharing as follows:</p> <ul style="list-style-type: none"> • sharing for affiliates' everyday business purposes—information about your creditworthiness • affiliates from using your information to market to you • sharing for non-affiliates to market to you <p>However, we do not have any affiliates with whom we share any information.</p> <p>State laws and individual companies may give you additional rights to limit sharing.</p>
